

## Marketing and Public Relations

### Elder Care

Gateways Community Services is a private non-profit corporation created in 1981 to establish and maintain programs and services which promote growth and independence for individuals with developmental disabilities. Gateways provides services to 2,200 individuals. We support persons with disabilities, individuals with chronic illnesses, families coping with autism, and elders in need of care. Gateways Community Services welcomes all students who share an interest in our mission and possess a sincere interest in learning more about our agency and the work we do.

**Internship description:** As an intern you would gain knowledge and experience by working in an innovative program in which consumers and families choose and manage the person who provides care and support to the consumer. The intern would assist with marketing and publicity for this program by giving sales presentations, networking in the community to build public relations and helping with a monthly cable network broadcast.

**Skills/Personal Attributes:** If you are outgoing, enthusiastic, customer service oriented and enjoy working directly with a diverse population we hope that you will consider this position. The ability to work independently and take initiative while still being able to work as part of a team is essential. Good communication skills and ability to follow instructions are a must. This is an ideal internship for someone who values elders and their life experiences.

**Students majoring in or having an interest in:** business, marketing, sales, human services, accounts payable, marketing

*Most internships are available year around to accommodate college/university schedules for interested and qualified students.*
