

State House Address: 107 N Main Street, Concord, NH 03303

Legislative Office Building (LOB) Address: 33 N State St, Concord, NH 03301

Directions to State House and LOB in Concord

From Nashua, head north on Everett Turnpike. Everett Turnpike becomes I-93 N. Take I-93 N for about 30 minutes/32 miles. Then, take Exit 14 (NH-9 W/Loudon Rd toward State Offices). As you head down the exit ramp, stay toward the left, as you will be taking a left at the traffic lights you approach onto Loudon Rd/Franklin Pierce Hwy/9. Continue straight as you go through several sets of lights and cross Main Street. Take the next left after Main Street onto N State Street. Then, after the first cross street (Park St.), you'll see the back of the State House on your left and the front of the Legislative Office Building on your right. ([Google Maps](#))

Parking

When the House and Senate are in session, there are few parking spaces. If you'll be testifying, two-hour parking is likely not enough. Proceed past the State House and park in one of the self-service parking garages where you can buy more than two-hours of parking. Note your space number when you park and pay at a parking meter machine with quarters or a credit card. More info. [here](#).

Entrances

The State House is the building with the golden dome. You may use any entrance to the building. There is a State policeman in the front lobby who can answer questions.

The Legislative Office Building (LOB) is directly behind the State House (across N State Street). There is a State policeman in the lobby who can help you as needed.

Hearing Times/Signing In

Note:

- The actual start time for a hearing may be later than what's scheduled, e.g. due to preceding hearings running longer than planned.
- Make sure to sign in at hearings: use the correct bill number and indicate whether you're in support or opposition and if wish to speak (someone will be there to help if needed).
