

# Respitality

## What is this special “Gift of Time”?

Respitality is the combination of “respite” for parents or primary caregivers with the “hospitality” of New Hampshire host hotels and inns who have donated wonderful overnight accommodations to provide you, as the parents or primary caregivers, the unique opportunity to restore your energy, nourish your mind and refresh your soul.

We would love for you to participate. It is a nice opportunity for you and a loved one to enjoy much needed quiet time together.

To receive a Respitality information folder, please fill out the form below or contact Rachel Neth at 459-2758 or [rnet@gatewayscs.org](mailto:rnet@gatewayscs.org)
