The state created this [Phase Check Link](#). More info. on the state's vaccination plan can be found as follows:

FYI, one of our colleagues shared this tip: After completing the [COVID-19 Vaccine Pre-Registration](#), they received a link to register with the Vaccine Administration Management System (VAMS). The application includes this question: "Have you already registered as a vaccine recipient with VAMS?" Your answer needs to be "no" to continue.

Thank you,
