

## **PCSP for Gateways for Seniors**

### **Position Summary:**

Gateways for Seniors is looking for a PCSP for direct assistance with a client's activities of daily living: bathing, personal hygiene and grooming, toileting hygiene, functional mobility, and care devices, feeding/eating, and mobility from room to room. **This position is part-time, 14 hours per week.**

### **Essential Job Functions:**

- Perform basic personal care and home making tasks as outlined in the client's service plan and as noted in this job description.
- Physically able to perform functions as defined in the client's service plan.
- Create and maintain effective communication with the client and Gateways for Seniors
- Develop effective working relationships with clients, client's family, and other service providers.
- Develop positive relationship with the clients and family members in home.
- Record keeping and notation.

### **Qualifications:**

- High School Diploma or GED required.
- Must be at least 18 years old.
- Must be dependable, punctual, and organized.
- Demonstrate sound judgment and responsibility while working with the client.
- Can follow care plans and written instructions concerning medical needs, if applicable
- Valid driver's license and vehicle insurance, if transporting the client
- Requires utmost trust to maintain confidentiality and to respect the privacy of any individual client.
