

Speech Language Pathologist

Department: Early Supports and Services

Reports to: ESS Clinical Director

Hours: Full Time, 40 hours/week, Exempt

POSITION SUMMARY: Speech Language Pathologist provides transdisciplinary, family-centered services for children (ages 0-3) with developmental delays or disabilities and their families.

ESSENTIAL FUNCTIONS:

- For children assigned, provide play-based, developmentally appropriate speech therapy, as well as transdisciplinary therapies supported by other specialists such as PT, OT, and educators.
- Develop transdisciplinary skills to enhance treatment of children in the Early Supports and Service program.
- Provide service coordination as needed.
- Responsible for accurate and efficient documentation of services, meeting all compliance requirements.
- Participate in team and staff meetings.
- Keep abreast of discipline-related advances pertaining to children birth to age three via readings, conferences/workshops, and participation in professional forums; regularly incorporate information into day-to-day services and program development activities; share information gained from outside sources with the ESS team via in-services, documentation sharing, and discussion.
- After receiving appropriate training, participate in developmental evaluations utilizing the Hawaii Early Learning Profile; create IFSP goals in the areas of hearing, communication, cognition, and social-emotional development; and write reports of evaluations in a timely manner.
- Conduct therapy in accordance with state and federal regulations, including teletherapy services as needed.

QUALIFICATIONS, EDUCATION AND EXPERIENCE:

- Graduate of an accredited school of Speech and Language Pathology.
- Hold a current Speech and Language Pathology license by the State of NH and national American Speech and Hearing Association (ASHA) certification.
- Prefer 1-3 years pediatric experience; however, will consider Clinical Fellowship Year.
- Well organized; strong independent work skills.
- Creative training/instruction technique.
- Must be willing to work a flexible schedule to meet the needs of working families.
- Valid driver's license; reliable transportation and appropriate vehicle insurance.
