TODAY!**

HOW DOES IT WORK?

- **Enroll:** Get free access to our online training platform. www.gatewayscs.org/DSPcert
- **Complete the Training:** 40 hours of self-paced, online learning on essential caregiving skills and best practices.
- **Get Certified:** Pass the competency exam to become a Certified DSP and be added to the NH CDSP Registry.
- **Connect with Employers:** Access job opportunities across the state of New Hampshire and enjoy flexible shifts.

The first 25 students who pass the competency exam will earn a \$1,000 completion bonus!

Employment opportunities are available through Gateways Community Services and other service provider organizations across the state of New Hampshire. Choose from flexible work locations and shifts that suit your lifestyle!

WHAT WILL I DO?

- Assist with daily living activities like meal prep, medication administration, and personal care.
- Support community involvement in social, employment, and recreational activities.
- Advocate for individuals' needs and preferences.
- Promote independence and ensure a safe, empowering environment.

WHERE CAN I WORK?

- **Individuals home:** Help individuals with daily tasks.
- **Group homes:** Support small groups in residential settings.
- **Day programs:** Assist with community and skill-building activities.
- **Workplaces:** Aid individuals in integrated employment
